“ Raymond was always such a hoot at Garden Villa. Even tho I knew and loved Clara Mae longer but she made me know and love her brother before I met him. She always had stories about their growing up days which were so exciting to hear her tell. We loved Raymond when he would let us cut his unruly hair. One always knew when Raymond was around making all laugh with his antics. Heaven certainly knew when he arrived at the Pearly Gates. The angels were there to welcome him with all the loving souls gone before him. He will be missed. Toodie his barber

“ Raymond was a hoot. Everyone he met loved him. I am so blessed to have had the honor of knowing this guy while he was in Garden Villa. Off course I really knew him before thru Clara Mae's love for her brother. She always bragged on him and told stories of growing up in a loving family. A life well lived and he was so loved.
