“ *Daddy...my heart hurts to think every second I have something I want to share with you about my special day today. This is by far the hardest thing I have ever had to do! I MISS YOU DADDY!!! I have so many memories of you...of us...your my heart!! You were the best father in the whole world! You had the biggest heart,you were the biggest teddy bear,you were kind to everyone and you lit up the room with your smile. Everyone I have spoke with so far has shared nothing but stories on how you made us laugh. FOREVER IN MY HEART DADDY!!! I HOPE YOU CAN SEE HOW YOU WERE GREATLY LOVED!!!*

“ I am going to miss your crazy, goofy personality! You always made me laugh!! I will hold on to & cherish all of our memories! From growing up & u picking on me, taking all my toys apart & not being able to put them back together, & since your bday is a week after mine, mom always made us 2 cakes & we had 2 share our bday party! You had a rough & tough exterior, but inside, you had the biggest heart! RIP my dear brother, I love you! You will forever live in my heart!
