“ *I am the great grand daughter of Raymond. I loved him so much I wish I could have said good bye. The next day when I was practising my speech I was laying down and I felt his soft hands touch mine. my grandma called me and him church buddies. I hope he loves where he is now with Evelyn.*

“ Hugs and prayers for Raymond's family. Raymond and Evelyn were wonderful neighbors when we moved to Louise in the late 1990's with the wife and new baby boy Tanner in 1999. My Dad worked at Alcoa too at the same as Raymond and we always enjoyed those two telling work stories when my folks came to visit us in Louise.

“ *"My words of sympathy are sent to the Poncik family. He was one of the first people I met when I went to work at Alcoa in 1969. He was kind soul who always had a smile and a kind word for all. I enjoyed working with him in the Power Houses and later in the Refining Plant. In later years I enjoyed our conversations at Prasek's over breakfast when I was traveling through Hillje. I feel fortunate to have known him, may he RIP"*

“ I remember all the good times with Raymond at dances, weddings, reunions & general running the streets of Louise & El Campo trying to get into trouble. Raymond was the nicest of the bunch & put up with allot of BS from his younger cousins. He was always kind to us all. My heart goes out to all his children, grandchildren, great grandchildren, good (?) brother Victor & all those that knew him....he will be missed.
