“ Please accept our deepest sympathy. Your Mom/Grandmother/Mother-in-Law was a very sweet and special lady. We will remember her from the last time we saw her at church and she was sitting in front of us. Larry noticed she was coughing and handed her a kleenex and a cough drop and she said "thank you so much young man. You are so sweet." What a blessing she was to her family and all that have known her in this community for so many years. She has certainly passed her sweet spirit down to her daughters, son and grandchildren. God Bless All of You!

“Granny was a very special lady who always greeted me with a smile. We had many talks over the years about her family and she was extremely proud of each of you. Esp those grandchildren, her pride and joy of her life! Remember she loved each of you unconditionally, no matter what, she was and will always be with you in everything you do.

My prayers are no longer for her but for each of you as you are going thru this time. Just remember she is still with you and watching over you. She will be greatly missed. Love each of you!  
XOXOXO
