“ Louis, Doug, Joy and families, my mother and I are sending our heartfelt sympathy to you at this time. We loved your mother very much and so enjoyed having her join us for holidays, parties and events celebrated with our family. She was so much more than an aunt to us, she was a dear, dear friend. She had a servants heart and expressed it by volunteering at so many organizations, clubs and activities in our community and the surrounding area. In addition to her weekly hour of adoration at the chapel, we could always count on her to substitute for us when we were unable to attend our allotted time. We will miss her and find consolation in recalling so many wonderful memories of her. They are now our cherished memories. We are praying for you and asking God to bless you and grant you His comforting peace. Rest easy dear Rita...until we meet again.

“ When I was a little girl, I remember we would visit Rita and Albert Vackar at their farm. I thought Rita was the most beautiful woman I had ever seen. As I got to know her, I found that she was not only beautiful outside but beautiful inside as well. The last couple of times I visited with her, it all came back - she was still beautiful inside and out. I am so sorry for the families loss. I know she will be missed!

“ Dear Family, it is with great sadness that I respond today. I loved your mother. She and I always visited at church and we have forever sat near her every Sunday. God bless her. I am so sorry for your loss. What a dear, kind sweet woman. If I recall correctly, our friendship started years ago when she and I worked side by side at the Catholic Daughters annual turkey dinner fundraiser. She and I both worked the salad portion of the lunch. I even want to say I have her slaw recipe. I am so sad as I have lost a dear friend and I feel like she and I were what I call”church family”. Love to all of you. May her love and the good memories sustain you. ❤️
