“ Pam and Paula - I am so sorry for the loss of your parents. I don't know how they put up with us when we were young but somehow they did. Both Bob and Sybil were always so good to me, and I thought of them as my second parents. While I didn't know about Sybil's passing (or R.L.'s) it makes perfect sense that they went so close together. I will celebrate the joy of having had them in my life. You are in my thoughts during this difficult time.

“ Deepest sympathy to Paula and Pam. Sybil and Bob are together again embracing Billy & RL. What a glorious day that must have been.

My Uncle Bob was a larger than life character who never met a stranger, loved to tell jokes, enjoyed his pizza with a beer, and danced many steps with his beloved wife, my Aunt Sybil. Now reunited with her, Billy, and RL. Condolences to cousins Pam and Paula.
