“ Well this is my first time to actually read this. My Daddy was a hard working man and always provided for momma and us boys. I couldn't even walk in the shed where he made the magic happen with his wood work for over a year. It still hurts today to work in there. I just hope and pray I will be half the man you were Daddy I will always love you . Now i will see if i can find my mommas. Love you . Written by James Hart

“ The first time I met Robert Hart was through my Husband Andrew Gutierrez. They would sit and talk about so many interesting things. He adored and admired Mr. Hart very much. Through my husband I also met James and Jennifer Hart and we have remained very close friends still today. I had already met John Hart way back when we were In High school and all of us would go dancing. We helped with Marie's benefit and also when I lost my husband last year. the Hart family was right there to help me out with anything I needed. The Hart Family are one of the biggest Hearted Family's you would ever want to meet! We had many a BBQ's at their house with good friends and excellent conversation. Gonna share a little story....I lost my Husband last year and about Three or 4 weeks ago Robert heart called me up and asked me if I would like to go to Bay City with him to go out to eat at this steakhouse he had been wanting to go to. Sadly I had to decline the invitation Bc of previous commitments. I really wish I had gone to eat with him. Now I'm not going to be able too. Mr Hart also carved and built with his own two hands a beautiful wooden truck for my grandson. He has something to remember Mr Hart too. We all have so many memories. But I will cherish all the memories I have had with Mr Hart! May you Rest in Peace Mr. Hart with your loving wife Marie. And I hope you and My Husband are continuing to share your stories together in Heaven and drinking a beer together again! Until We all Meet again! Rest in Peace!

“ I spent a lot of time with Aunt Marie and Uncle Robert as a child and have so many fond memories of them both. Riding in the combine, swimming in the creek, fishing, and so much more. Aunt Marie would always fix me up so pretty for church because she didn't have a girl of her own. Uncle Robert always spoiled me rotten! He was so talented with his woodworking and always willing to lend a helping hand to anyone in need. May they be up in heaven laughing and dancing!
