“ *Tami, Brett, and Amanda,*
We are hurting for you and with you as you grieve the loss of your dad. I met you many, many years ago because my dad, John Cockrell, was your dad’s golfing buddy and friend. Those two could joke, compete, out talk, laugh, argue, out brag, and fuss like no others. I became your babysitter, Brett and Amanda, so our parents could stay out late at the Country Club! It was easy to enjoy your mom and dad and hanging out at your house. Tami and I became good friends during her summer visits to El Campo. I spent the night often and remember your dad’s South Carolina accent and his passion for the Clemson Tigers! You know who he loved even more than those Tigers? It was the three of you. As the years passed, and I would see him in EC or at church, the first thing he would mention was you and how proud he was of you and your accomplishments. No matter how old you are, you are never ready to lose a parent. My dad’s funeral was exactly 3 years ago on April 21st. God comforted us with promises such as this...Isaiah 41:10 “ So do not fear, for I am with you. Do not be dismayed, for I am your God. I will strengthen you and help you, I will uphold you with my righteous right hand. “. May God comfort you like only He can.
