“ *Aunt Rosalie loved traveling almost as much as she loved her family. Her dedication and loyalty to her family is what I treasure most about her. As much as she loved her present-day family, she loved to research her past ancestors, and try to piece together the puzzles that photographs, documents, and letters presented her with. She had so many questions about them!
Her chicken spaghetti was without equal - I wish I had her recipe!
I love you, Aunt Rosalie!*
