“ *There is not enough space to share all my memories with Russell. He was a true friend who would do anything to help if I asked (even if it was waking up early to drive me to class when I missed the bus in college). I've been thinking back to all the double dates, road-trips, rabbit hunting adventures, dove hunting (even the famous RR birds), and all the other memories we shared. They all bring a smile to my heart. He will be missed but will remain in our hearts and memories until we join him again. Mr. Richter, Lance, Russ Jr. and Lisa, you are, and have been, in my prayers.*

“ I am so very sorry to hear of Russell's passing. He was very kind, always so easy to be around, and had a great passion for farming and his family. He will be greatly missed.
May the Lord bless and watch over each one of you.
You are in our thoughts and prayers.

“ Claire was waiting with open arms to receive her firstborn son into Heaven. Kathy was right behind her to have a trio family reunion. What a wondrous celebration that was. Love never stops but goes thru eternity and beyond. Russ will be with all of us forever and will surely leave signs around of his soul to comfort you in this sad time without him here on this side of the vale. Fly high with the angels Russ and know you were loved.
