“ *My dear dear friend is whole and well again. Having all the souls gone before to welcome and greet her into the glories of Heaven was a celebration of all celebrations. Ruth was always a happy generous positive little lady and so much fun. After leaving El Campo, I only visited Ruth via the phone but it was always such a pleasure to hear her laughing voice when we spoke. I am honored to call Ruth my life-long friend and the friendship she shared with my parents, Ray and Viola Allen. The angels are rejoicing Ruth finally made it to fly free once again. I love you Ruth and will be with you soon.
Love forever and beyond. Toodie*
