“ Mom,
I would have never known when I talked to you on the phone last Saturday that we be here doing this today. And while I'm sad and hurting that you're gone from this earthly place, the sadness is for me for I know that you have gone Home to your reward in Heaven and there is no sadness or hurting there. You touched many lives while you were here and I miss you much, much. As we lay you the rest I will celebrate your life and take comfort in knowing that you are in the arms of the Father and that you have “Angels All Around You!!”

I Love You, Mom.

“ *Our thoughts and prayers are with you all. Sallye was always so full of life, encouraging, supportive, compassionate...whatever you needed, she was there. And could she tell stories on Winfard!!! Having worked for Treme at Transco, then Williams, for many years, Sallye and I shared a lot more than he'll ever know - haha. If he got too tough on anyone, she would rein him in and scold him. Sallye survived more than most of us ever want to have to go through and she smiled no matter what, always more concerned about you than herself. She will be sorely missed by all who knew and loved her. Our hearts are with you across the miles. May God Bless and keep you all.*

“ So sorry to hear about Sallye. She was the sweetest lady and never did not speak to me where ever we would see each other. After my parents passed away 3yrs ago, Sallye saw me and told me some stories about them. She always was smiling or laughing. Never met a stranger. Going to miss seeing her around. Prayers and blessings going out to all the Treme family.
