“ Sandra was my employee, but she was so much more than just an employee. She was a loyal friend. She was there anytime I needed her both in the office and out of the office. She was a shoulder to cry on and a strong arm to hold me up when I so needed that extra strength. She was sweet, funny, and at the same time, tough as nails! Yes, there was only one Sandra. She was one of a kind. And I am so blessed to have known her.
