“ One memory in particular that keeps coming up in my mind is when Sandra took me shopping. On the way to the mall, Sandra laughed and totally called me out on something that I obviously was not experience with. I had just recently started smoking and had not realized that one should roll the window down to prevent the car from filling up with cigarette smoke. We laughed (will she did, while I tried to play naive). I will never forget how special I felt in that Sandra took me, her little cousin, shopping and it was just the two of us. It was a very special bonding trip, that meant so much to me (more than Sandra knew), and that I will never forget how she made me feel, thanks Sandra! You will be truly missed, but never forgotten.

“ Kate and I miss you already. Hannah will always be included in our family, as always. The girls said last night that "My Mom will keep an eye on us here and My Mom will keep an eye on us when she can't" So True Sandra, you will be the best guardian angel. Give my babies a kiss when you get settled in heaven. With much love, Kate and Melissa Salas
