“ *I love you and miss you so much grandma!! I miss riding in the marshmallow with you and you would be driving in the middle of the road even if there was a car coming! Lol and I would always say, "Grandma get out of the middle of the road there is a car coming!!" and you would always say "I don't want to hit the pot holes!!" (: I also never forget how happy you would get when I would go play bingo with you on Tuesdays with your village people. Lol!! I know you are in a better place with Aunt Linda and you're watching over me as well as the rest of the family. Just recently I asked God to send me a sign that you are doing okay up there and a couple nights after, I had a dream you were at a Ricebird football game and you were standing up cheering and you had the biggest smile on your face!! At that point I knew you were doing great up there in Heaven!! I love you grandma and I miss you!!*

*Love,*

*Your boobie!!(: (as you would call me)*

“ I will always be your " TOOTSIE " I love you MOM I will miss our talks.... and will remember how much fun we had when I took you to see Willie Nelson in Corpus Christi, which you told me was on your bucket list !! We never got to go to Florida or on a cruise through the Panama Canal but you had so many memories in South Padre and Matagorda. Now we can talk daily and do not even have to use the cell phone. I know you along with Dad, Linda and of course Dixie, will be watching over all of your family members. We love and miss you !!!

“ Mom, All day yesterday I had the song "Gone too soon" on my heart. You have gone way too soon. But, you're with Linda and Mickey now. And surprise, my Mom's there to greet you too. I loved talking to you on the phone for our Sunday conversations. At first I did that because you and Linda did that. Then it became 'our own'. For years I have told people and said it again the other day you once told me "I don't know why I moved here. There's nothing but Mexicans' and chickens!" lol I also remember the picture you sent me of you and Norma dressed in camo fatigues by the back of a truck hunting. That's a great picture Mom. I will also cherish your last visit here. When we celebrated your birthday. The thing I will cherish the MOST Mom, is when you told me that I was not 'your son-in-law. That you had three sons, and I was your son.' Wow Mom. You had no idea what that meant to me. I will miss your voice, your laughter, your humor, and how we lifted each other up. I Love you Mom. Rest with the saints. Love always, Jeff.

“ I want to express my sincere condolences to all of Sara's family and friends. I imagine some would say that I have no right to consider myself a friend. Sara was the mother of my husbands first wife. I only met her once. But, I know what she meant to Jeff and his children. That's enough for me to know that she was a special lady that will be missed by many. Hold tight to your memories of her and take comfort in the knowledge that, someday, you will see her again. God bless you all.
