“ I met Mrs Nielsen this year as my sons 5th grade block teacher. My son has missed her through this shutdown and is devastated at her loss, as am I. She was a genuinely wonderful person and her loss is felt in many. She touched my sons life this year more than most have and he is taking her loss very hard. That's a testament to not just the teacher she was but to the person she was. My heart goes out to her family that meant everything to her.
