“ Shirley was a beautiful, caring, loving individual. She was a loving wife, mother, and grandmother. She loved working with all children, regardless if they were babies or older. Shirley worked at Alvin I.S.D. with teen parents and, their babies. If the baby needed diapers, clothes, or even bottles she would be in her car driving to Walmart to get what the child needed, never telling the parent who paid for it. She even purchased extra food for the teenagers who could not afford food. This is what Shirley was all about, HELPING the next person, so that person could pass it on, She made the world a better place for the moms, and their babies. Shirley Ann Pesak was truly loved and, now she will be truly missed. I myself will miss her every day of my life. Thank you, Shirley for all your good advice, all your laughs, and most importantly for being a great friend. Restablished In Peace my sister deserve it.

Shirley was my rock. She always gave good advice. She loved her God son, Joshua Lester and he loved her deeply. Shirley helped everyone, that's what my sister n law was about. Heaven gained an angel with a heart of gold.
