“ I worked with Stan in the mail room at STP. He was kind of scary at first but I learned a lot from him. He was very nice. He talked about his wife a lot. I know he had a happy home. I got his phone number somehow and I called him. We had a very nice conversation and I promised I would call again. I pass his house whenever I am headed on 71 and pass El Campo and I always think of him. He was a great friend. Vikijane
