“ Many years have gone by since we have talked or seen each other, but I have never forgotten the kind soul you had. When I got the phone call the other night I was in total shock. I can't seem to get you and your family off my mind. I hope your family finds peace in all the memories you have left behind. May you RIP.

Stephen was a kind and good man. He was always very willing to help a friend. I remember after my dad passed he would bring round bales of hay to my mother's cows so she would not have to worry about feeding the cattle. He did this without us asking. That is the type of great guy he was...
