“ Today, Dec. 7, 2011 i found out you passed and it hurt me alot. You passed in April 20,2011, i found out when i went to the cemetry, and there was your name, shock, greif, and hurt all at once. i did not know you had passed and i am so hurt that no one contacted me to let me know, i have known where i stand with Polly and David for a long time now, but in a case of losing a member of the family just hurt. I know that you and I did not get along all the time but that I loved you no matter what. I am going to miss you Sue and i did not even get to say good bye and i love you. Bad feeling 's within this family is horrible., but i can't help what Polly and David do. .... nevertheless, i love you sister of mine, and hope one day to see you again. xoxoxoxo
