“ Mary Jean I have been just sitting and thinking about your mom and all of the "wild and crazy things" we did as kids! (whoa we were crazy) and how strict she was, but we know she did it out of love! I will miss her dearly! I always enjoyed just sitting and chatting with her for hours at Rida's at the family get togethers! She would talk my head off!

I am thinking about all of ya'll and praying for ya'!!

R.I.P. Aunt Sybil. We love you and will miss you!

“ Sybil was a cousin of mine. She would come and spend one week during the summer in Angleton where I lived. And I would go to Boling where she lived with her sister and brothers out in the country. I loved being with them in the country and Sybil loved being in the big city of Angleton. Lol. She'd help my Mother with my twin brothers and go to church with us and movies. I just loved her so much. She was a “Starlet” at Wharton Jr College and was so pretty. I was only four years younger than her and was so impressed by that. My family video even has a short clip of her in her uniform. Due to family issues I won't be there for the funeral but she and her whole family will be in my heart forever. You will be missed Sybil by many people including my sister and three brothers. ☐❤

“ Sybil was a much loved cousin to myself and my siblings. She spent summer time with my family in Angleton and I have many sweet memories of her visits as well as our summers with all her family. I will remember her always.
