“ We're very sorry for your loss. Your mom was always kind to me. She took time out of her day for me when I was a kid & needed help. I have never forgotten that. She had a wonderful heart. I'll never forget her.

“ Mrs. Frances drove my bus when I was in school and then she drove the bus when my 2 sons went to school. She loved each child as if they were her very own. When I would see her around town she would pull out this album book she carried to show me the pictures she had of my son's and others that rode her bus. She was a special lady. My deepest condolences to the family.
