“ I met Terry once or twice at Busby Reunions but lost track of him, tried to locate him when updating the family tree but never heard from him. Reading about him now makes me wish I had tried harder to talk about the life and times of the Busby's as he remembers them. RIP Terry

“ God, here comes trouble...but the good kind. I could always count on a good laugh and good times with Terry. He was full of mischief and a love of life. He had his struggles but he had an awesome family to help take care of him. Life was too short for Terry. May he rest in peace.

Terry stayed with my family about 6 months in high school, I'm Jack McDonalds little sister, Kathy, my friend Paula and I thought Terry was the cutest thing ever, his favorite song was only the lonely. Every time Terry came home, we'd put that record on, and play it over and over, he finally broke it. Lol I know he'll be missed, wish we could have seen him one more time. Prayers to his family.
