“ *It sure made me sad to read of Tim's passing. We had many years of good times back in our Halliburton days.*

*I remember the parties we'd have at the old house playing guitars, singing and having a great time.*

*I remember finally beating him in a game of pool after losing to him for years only to be told by Tim that he felt so sorry for me he didn't want to beat me anymore.so he let me win. :)*

*I remember Stephanie and Jennifer getting smuggled out to job sites while Tim and I did our job with Halliburton. I remember Eddie trying to play my guitar and I remember Anita always being the perfect host.*

*I'm sure sorry for your loss Anita, Stephanie, Jennifer and Eddie. After our Halliburton days Tim and I just lost track of each other and I think I only talked to him once in the last 34 years or so and that saddens me as well.*

*Godspeed my friend.*

*Mrs. Elaine, I read this to my mom and she said of course she remembers you. As for the dress up, we came across them while looking at the photos, and his grandchildren were SHOCKED to say the least. It was a good laugh.*

*I remember seeing your family at TIRR in Sutherland and even you a time or two at the pool with your father. It literally brought tears to my eyes both times. You shared what seems to be the same bond I had with my father. God bless you and your entire family. Prayers for comfort and strength.*
