“ *When Darlene Kubala, Toni Baron and I started as sponsors for the prom Tommy was the answer to our prayers! He use to always laugh and laugh when he heard me say, “Tommy, I’ve been thinking...”. He always took our ideas and and made them come alive in the Civic Center and El Campo High School gym. Our proms were successful because of Tommy and the many parents who helped us ! He helped us give many students life time memories of prom workshops and the prom! He will be missed!*

PS

Tommy was a great help when i was a German teacher. Tommy and Liz opened up their home and sponsored one of our huge German parties. He was a very nice person and we shall all miss him but I guess him and Thomas have a lot to catch up on now. And to me getting to see Thomas would be absolutely great. He had one of the best dispositions of any young person I ever taught. Kids like Thomas and Brittini come from successful parents. He has earned his heavenly reward
