“ It is with my deepest sympathy that I send you these few words. Having been and still blessed with a special needs brother, Michael Tucker, too. I put my heart where yours is today as you grieve your loss. We know he is in Heaven with his heavenly father and loved ones that have gone before. We still can't keep from missing him as we go through our daily living. For many years he and Michael would see each other daily at the Center as they were both clients of Texana MHMR.

Gods blessings to all of his family and friends as you lean on God for his strength and love.

Seeking Gods strength from above,
Michael L. Tucker, friend of Tony

“ I am so sad to hear about Tony. I am at a loss for words. It is so surreal. Tony was my neighbor and he would play basketball with my kids. My fondest memory of Tony is when he would call his dad (Hone)...short for honey. He had the biggest smile that would make you smile just to see him. May God keep him close because he was an angel. He will truly be missed.
