

## Vickie Ann Holub

May 8, 1947 - March 19, 2025

Vickie Ann Holub, 77, of Glen Flora, Texas, passed peacefully on March 19, 2025, surrounded by family. Vickie was born on May 8, 1947, in Luling, Texas, to the late Lloyd Lee Borden and Joyce Ann Hunt Ivy.

She grew up in Luling, Texas. Her early years were spent with her grandma, Ethel “Mammie” Peeks Hunt. She dearly loved her Mammie, and her extended family in Luling. Her places of residence included Luling, Wharton, El Campo, and Glen Flora. All of which held a very special place in her heart.

She graduated from El Campo High School. She spent most of her work-life in an office setting. In fact, she was still working in Sugar Land, Texas for Best Block, a division of The Quikrete Companies. She loved the customers, the vendors, and the fellow employees that she had the pleasure of working with throughout the years. She regarded them not only as friends, but her family as well.

Vickie loved her quiet life; watching the birds from her front porch, watering her vast plant and flower collection, but most of all feeding everyone, and everything, around her. Food was her love language; from making huge amounts of delicious food for family and friends, feeding and looking out for the homeless, to carrying large bags of food and jugs of water to feed the stray animals along her daily drive from her job in Sugar Land to her home in

Glen Flora. She had a big heart and would help whenever, and wherever, she was needed.

Vickie is survived by her beloved family; daughters, Deborah "Lucki" Krenek and Shana O'Roark of Granbury; sister-in-law's, Veronica Holub and Dawn Dunleavy of Rockport; Godson, "Big John" Woodman and wife Lucy of Katy; and grandson, Christian Peschon of Granbury. And, her goofy, but loving grand-dog Doddie, who loved grandma's cooking.

She was preceded in death by her parents, James and Joyce Ivy, and Lloyd Lee Borden; and, her beloved husband of 33 years, Paul Henry Holub.

At Vickie's request, there will be no services as she felt there is no need for mourning her passing. Instead, she wanted everyone to spend time with family and friends, living and loving life like she did. She was a beautiful soul, and will be dearly missed.

“ *My condolences to Debbie and the rest of the family. When we met on occasions, she was always nice and friendly to me. I admired her work ethic and competency in office management. May she rest in peace and let perpetual light shine upon her.*
