“ Dear Pat and Family, I've known you for quite a few years and I'm
never at a loss for words but today I struggle. I thought so much of
Vic. What a great guy! I thought of you guys last week when it was
his birthday. Working out like I do Facebook was my pretty much my
only contact with you guys! I am so sorry this happened Easter
week, but you know Christ rose from the grave this weekend more
than 2000 years ago and I believe Vic will rise also to meet him! He
is finally going to receive his reward for all the good he did here in
this life. We love you very much and are praying!

We are so sorry to hear that Vic passed away. The Vic Dybala, Victor Holub, Joe Osina, and Frank Osina families were lifelong, very special friends and what a treat it was to visit with you when we could!
