“ Virginia and I started first grade together. We enjoyed the same neighborhood playing outdoors for many days. A very kind friend and family-oriented lady to many who were honored to know her. Blessed to be with the souls gone before and singing with the angels. She will be missed here and waiting for us to follow. Remember her wise lessons taught by example to live your life. You were blessed to have such a great lady to lead the family. Fly high with the angels, my friend.
