“ *I visited with Mr. Newton at the rest home prior to Covid and we would discuss years gone by between him and my dad. My Dad and family thought so much of him and his family. The lumber for my parents home was purchased from Newton Lumber and many years ago I would say hello to Gordon in school. My deepest regards and sympathy to the Newton family at this time. “ *Don't you know Carolyn was at the Pearly Gates telling Wade "what took you so long?". It would be a wonderful sight seeing those two dancing in the clouds? You kids were blessed to have had your Dad so much longer than most of us. Every Christian's goal is to be there with them celebrating the wonders of Heaven. Peace and comfort be with you all knowing he will be missed. Carolyn and Wade raised a wonderful family. Love to all. Toodie*

“ *Gordon, Barbara & Jane...Sharing my deepest sympathy... Your Dad & Mom were like second parents to me while growing up in EC. Remember when our parents went to the Plainview Club Dances? It's so difficult to realize they are all gone now. God Bless You All. Love, Cynthia (Chovanec) Fontana*
