“ How I wish I could have met Mr. Skutca. I would have told him several stories and returned many jokes( for many years ,he would call and tell my dad one every week . He was my dads closest friend that he knew from the national guard. When dad died, I wanted to go visit him and tried a couple of times . When I heard Walter had passed ... I had a feeling dad was one of the angels who came for him.  
They are both in heaven, there's no doubt in my mind . With golden crops and the shiniest , biggest John Deere's God ever made! ❤️
