“ Dear Lisa I am so sorry for your loss. I missed you at the funeral home yesterday. I want you to know that when I saw that beautiful picture you had of her up front, I could not help but hear her laugh. Your parents were so good to and for each other. They always smiled and laughed. Such a happy couple. They were so good to me after my first husband died. She got the job for me at Dr. Meyers. True friends the both of them. They touched so many lives. May our dear Lord keep you and yours in his care.
