“ *Mr. Pat was the nicest and sweetest man. I started at HEB and he instantly spoke kindly to me daily. But it did not stop there. He came to know my kids and my husband and ALWAYS made them feel like family. He always would joke with my husband and tell Cysco that he could put him to work helping him. And always gave my husband hope on his bad days. There were so many times Cysco would come to pick me up from work and would run in for a few items and then could be found laughing and talking with Mr. Pat. Mr. Pat you will forever be in our hearts... our condolences to Mrs. Fee and family. Love, The Garcia's* ”

“ *Toughest man I ever met. Unstoppable. His get the job done attitude and work ethic were inspirational and motivational to me. He left a big hole to fill at H-E-B. He had a reputation of being the best at his job, I had the privilege of working with Mr Pat and found out the talk was true. He will be missed. Jay Kilgore*
