

William Ramsey

February 24, 1959 - January 31, 2023

William Edward Ramsey, 63, of Wharton, Texas, passed on January 31, 2023. He was born on February 24, 1959 in Stuttgart, Germany.

He is survived by his wife, Josephine Ramsey; his brother-in-law, Herculano Acar; his parents, Ralph and Ruth Ramsey; his sister, Diane Ramsey and several nephews and nieces.

William had a BA in photography from the Brooks Institute of Photography in Santa Barbara, CA. and spent six years in Saudi Arabia as a photographer for the Royal Commission.

William wore many hats. He was the owner and manager of a Days Inn Hotel in Burns, OR. He owned and managed a multifamily complex in Wharton, TX. William also had his own wedding photography business.

William loved to travel. Among the places we traveled were Saudi Arabia, India, Africa, Europe, Egypt, Burma, Thailand, Hong Kong, just to name a few. Among some of his interests were the restoration of vintage cars, antiquing with his wife and photographing steam locomotives that were ready to be retired. He was a great writer and could tell a story of the history of the train, a place or just an experience he had.

William was a wonderful, loving and caring husband. He was married to

Josephine Ramsey for 38 years; four of them he spent in Saudi Arabia. William will be greatly missed. He was not only a partner, friend to Josephine; he was a compassionate son to his parents.

Rest in peace my love.

“ *It was my pleasure and honor to meet Bill in person in Texas after years of email friend contact. I will savor that afternoon hanging out with him at the racetrack. We had some great conversations, shared miseries, and shared celebrations over the years. He was a straight shooter, and one of the good guys. I'll miss you, sir. My deepest condolences to his family. Norm Murdock*
