“ To the family you have my deepest and sincerest sympathy. Treme hired me back in 1996 at Williams/Transco. As the new employee to the group, he and Mrs. Sallye took me under their wing so to speak. They were always so kind to me and my children and treated us like family. Even after relocating to Texas, they stayed in touch with me for years. You all are very fortunate to have had such kind and loving parents. I know that God has a special place for them in heaven above. And I am sure that Treme has already checked out the golf course. God bless you all. I will keep you in my prayers.

*I meet Brother Treme at my initiation. Same year he served as Master of Ceremonies for Walter Irving Lanier no 307 and I became a Master Mason. I will never forget his smile and he had that certain composure which stood out as we conducted business. We were all bless to have traveled together with him;*

*Many of us missed him when he demitted October 05, 2006. He was a good Man. Now he has joined that caravan which lead to God; he must travel that narrow dark road alone in which no traveler returns. God promise will be done; we shall meet again. "Until then Farewell, My Brother Farewell, Farewell*
